Introduction to Leadership Skills for Troops

Join the Staff!

YOUTHS AND ADULTS WANTED!

Cedar Badge is a great place to use the leadership training Scouts learned at National Youth Leader Training and Foxfire. Those Scouts can make a difference in the training of young boys. And they will have fun doing it while learning about the staff experience of servant leadership.

The next Cedar Badge course is April 29-30 and a staff is being recruited.

Scouts who have not yet attended NYLT but are at least 13 years old, First Class and attended Cedar Badge are eligible for staff!

Adults also are needed for staff. Just be Trained for your position and be ready to have fun.

All staff will need to commit to a few hours of staff training on the morning of Saturday, April 16.

For information contact the course director, Robert Quezada, at 951-686-5906 or at rquezada777@hotmail.com
