

# RESTARTING SCOUTING REQUIRED FORMS

[FOR ALL REGISTERED YOUTH AND ADULT MEMBERS]

BOY SCOUTS  
OF AMERICA  
CALIFORNIA INLAND EMPIRE COUNCIL

# PROGRAM RE-ENTRY REQUIREMENTS

**As of August 21, 2020**

In an effort to mitigate the health risk of spreading Coronavirus to our volunteers, staff and adult and youth members, the California Inland Empire Council is providing the following guidelines for implementation by units, unit leaders, and district and council volunteers.

*While these recommendations are intended to facilitate risk mitigation, every participant in Scouting activities must be aware that the Coronavirus is very contagious and participation in any activity can put each participant and others at some risk of exposure to the Coronavirus.*

Please remember that exposure to coronavirus could be asymptomatic. A person who becomes infected with the Coronavirus may be an asymptomatic carrier and can infect others even if not displaying any symptoms of the Coronavirus. Consequently, **IT IS CRITICAL THAT GOOD HEALTH AND SAFETY PRACTICES BE FOLLOWED IN ALL SITUATIONS.** Accordingly:

1. **Before resuming any in-person Scouting activities, each unit should check with its charter partner to ensure it approves of the activities.** Some charter partners are not opening their facilities for meetings or have imposed additional restrictions on groups meeting. Each unit must respect its charter partner's directions and must follow all applicable rules and guidance of its charter partner.
2. **Currently, the California Inland Empire Council may plan and consider to allow in-person scouting activities solely for (a) programs hosted by districts, divisions and/or the council (b) unit level activities, service projects, fundraising, and/or meetings.** Please continue to check the Council's website and follow the Council's FB page for details on all of these programs as they are announced. The Council expects to announce additional programs in the coming weeks as it continues to work toward future activities. We all need to be mindful of how future conditions and State of California orders and guidance will impact the Council's program.
3. **Prior to participating in any district, division or council or unit level in-person activities, service projects, and/or meetings individuals at higher risk of severe illness due to pulmonary or other conditions outlined by the Center for Disease Control (CDC), and adults over age 60, (a) must consult with their physician and (b) have their physician complete and sign the Council's Supplemental Medical Permission.**
4. Each unit should keep a detailed roster of the participants at every meeting and activity, so it is prepared in the event that contact tracing is required. Each unit must also retain a current Part A & B Medical form of each participant for this purpose. When attending any district, division, or council level in-person activities, each individual participant will be required to provide a copy of a current Part A & B Medical form and the unit, district, or council will be required to retain the copy so provided.
5. All participants should review their current health prior to participating in any Scouting activity. Individuals with temperatures higher than 100.4 and/or other symptoms of COVID-19 should not participate in any Scouting activity.
6. All individuals who believe they may have been exposed to Coronavirus must quarantine for 14-days prior to participating in any district, division or council or unit level activities, service projects or meetings.
7. Outdoor meetings are highly encouraged subject to applicable social distancing and other guidelines.
8. Groups are encouraged to maintain social distancing of six feet or more, and to wear face masks when indoor/outdoors and at other times when practical to do so or when required by applicable guidelines.
9. Group meeting size must comply with applicable state guidelines. While the Council recognizes that there are Troops, Packs and Crews with large numbers of youth members, we believe that so limiting the number of participants will allow for appropriate social distancing and efficient contact tracing in the event of potential exposure. Activities done in small groups (den meetings and patrol meetings) are preferable.
10. Transportation to and from activities should be made within family units. Carpooling should be discouraged.
11. Handwashing and sanitization of shared supplies or equipment must be done between each use of shared supplies or equipment—following CDC recommendations. A copy of the CDC recommendations can be found on the CIEC website [www.ciecbasa.org](http://www.ciecbasa.org).
12. Currently there is **NO OVERNIGHT** camping allowed. When camping resumes, sleeping arrangements on camping trips may be limited to one person per tent, unless they are family.
13. Six-foot distancing should be maintained when practical during hikes, bike rides, and other "follow the leader" style activities.
14. All local, state, and federal safety guidelines should be followed. Please review guidelines for not only your unit's meeting location, but the location of any camping/activity destination.

**15. All BSA Youth Protection guidelines must be adhered to at all times.**

16. It is recommended that every unit share these guidelines with each of its members and post these guidelines at and during all meetings and activities. **In addition, every Unit should obtain written permission from parents stating that they have reviewed these guidelines and consent to having their child participate in Scouting activities. Every unit must keep such written permissions with the unit health forms.**

17. **Before allowing any person to participate in any district, division or council or unit level activities, service projects or meetings, EACH UNIT MUST OBTAIN FROM EACH OF ITS PARTICIPANTS THE DOCUMENTS THAT FOLLOW:**

**Youth participant:**

- Current Part A & B Health Form
- Youth Member Release and Waiver of Liability
- For vulnerable health classes only: Supplement Medical Permission form

**Adult participant:**

- Current Part A & B Health Form
- Adult Member Release and Waiver of Liability
- For vulnerable health classes only: Supplemental Medical Permission form
- For those over 60 only: Supplemental Medical Permission form
- For any adults working routinely with properties: Volunteer Services Agreement

18. **\*\*\*All required and supporting documents can be downloaded from [www.ciecbbsa.org](http://www.ciecbbsa.org)**

Finally, as representatives of Scouting, it is important that we demonstrate the principles of the Scout Oath and Law now more than ever before. As restrictions begin to lift, individuals within your Scout unit may have varying levels of comfort or anxiety. It is our responsibility to be kind while being helpful and friendly and to demonstrate empathy and respect to everyone, even if they have beliefs different than ours. As we move forward, let's be cheerful and brave while showing trustworthy obedience to the rules, regulations and guidance of our State, Counties, Cities and Chartered Organizations.

Stay Safe and Keep Scouting!

**YOUTH MEMBER RELEASE AND WAIVER OF LIABILITY**

THIS YOUTH MEMBER RELEASE AND WAIVER OF LIABILITY (the "Agreement") is made freely, knowingly, voluntarily and without duress as of the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ by \_\_\_\_\_, an individual whose address is \_\_\_\_\_

\_\_\_\_\_, (such individual, together with all of the parents and guardians of Youth, jointly and severally, being "Guardian"), on behalf of Guardian and \_\_\_\_\_, a minor ("Youth"), to, and for the benefit of, CALIFORNIA INLAND EMPIRE COUNCIL, BOY SCOUTS OF AMERICA, a California non-profit corporation having its principal office at 1230 Indiana Court Redlands, California 92374 (the "CIEC" and together with its affiliates, associates and subsidiaries, jointly and severally, the "Council"), and the other Released Persons (as defined below).

In consideration of Youth being allowed to participate in Scouting Activities and Events (as defined below), as well as for other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), Guardian (on behalf of Guardian and Youth, jointly and severally), intending to be legally bound, covenants and agrees as follows:

**1. PERMISSION.** Guardian hereby grants permission for Youth to participate in activities and events for, on behalf of, involving, relating to, or in connection with, Scouting, Scouting BSA, the Boys Scouts of America, Inc. (collectively, "BSA"), Council (including Order of the Arrow lodges), and Packs, Troops, Crews, Ships, and/or Posts ("Units") (including, without limitation, activities, advancement, adventures (both short-term and long-term), camping, camporees, ceremonies, construction and maintenance activities and events, council meetings and events, development and fundraising, district meetings and events, events, "high adventure" events and trips, hikes, lodge meetings and activities, "mix fixes", outings, rendezvous, product sales, "roundtables", service projects, training, transporting persons and/or equipment, trips, Unit meetings, using equipment and facilities provided by any of the Released Persons, and "wood badge") (jointly and severally, "Scouting Activities and Events"). Guardian and Youth hereby release to BSA and Council, and authorize BSA and Council to produce, reproduce, broadcast, and otherwise use, audio recordings, photos, videos, and other depictions, likenesses, or images of Youth, in any media form in connection with Youth's attendance at or participation in any Scouting Activities and Events without compensation, for an unlimited duration.

**2. ASSUMPTION OF RISK. GUARDIAN AND YOUTH, JOINTLY AND SEVERALLY, UNDERSTAND AND CONFIRM ALL OF THE FOLLOWING:** (i) that Scouting Activities and Events can be dangerous, can entail substantial risk (including the risk of death or permanent injury) and can be strenuous; (ii) that **Youth is physically and mentally fit, is sufficiently prepared to participate in Scouting Activities and Events, and is not subject to any health issues or conditions that would preclude Youth from participating in any Scouting Activities and Events;** (iii) that an inherent risk of COVID-19 and other diseases and viruses exists in any public place where people are present; (iv) that COVID-19 is an extremely contagious disease that can lead to severe illness and death and the Youth's participation in Scouting Activities and Events could result in Youth contracting COVID-19, suffering respiratory failure and/or death, and transmitting COVID-19 to family or household members and others who may also suffer such effects; and (v) that, according to the Centers for Disease Control and Prevention, older persons, persons who are immunocompromised, and persons with underlying medical conditions (such as chronic lung disease, moderate to severe asthma, heart conditions, conditions that can cause a person to be immunocompromised (including cancer treatment, smoking, bone marrow or organ transplantation, immune deficiencies, poorly controlled HIV or AIDS, and prolonged use of corticosteroids and other immune weakening medications), obesity, diabetes, chronic kidney disease and liver disease) are especially vulnerable. By participating in any Scouting Activities and Events, **Guardian and Youth, jointly assume all risks now or hereafter related to, or arising from, any and all Scouting Activities and Events related to COVID-19 illness and exposure to COVID-19.** Guardian and Youth, jointly and severally, consent to receive any medical treatment deemed advisable for any injury or harm to Youth during any Scouting Activities and Events.

**3. WAIVER AND RELEASE.** Guardian and Youth, jointly and severally, do hereby knowingly, voluntarily, irrevocably, absolutely and unconditionally release and forever discharge, Council, BSA, Units, and their respective directors, officers, employees, agents, unit leaders, volunteers, donors (solely in their capacity as donors), chartered organizations, chartered organization representatives, and the successors and assigns of all of the foregoing (jointly and severally, the "Released Persons") from, and covenant not to sue any Released Persons for, any and all liabilities, claims, demands, costs, losses, obligations, causes of action, damages, deficiencies, expenses (including, without limitation, costs of investigation and defense and reasonable attorneys' fees and expenses), fines, penalties, judgments, awards and assessments of any kind (whether arising from tort, contract or otherwise), which Youth may now or hereafter suffer or experience in connection with or as a result of exposure to, or transmission of, COVID-19 at any Scouting Activities and Events.

**4. INSURANCE.** Guardian shall take reasonable care to provide for the health and safety of said Youth in connection with any Scouting Activities and Events. Guardian and Youth, jointly and severally, understand and agree to all of the following: (i) The comprehensive general liability insurance coverage provided by BSA (the "BSA General Liability Insurance"), subject to the terms, conditions and limits thereof, is intended to provide primary general liability coverage for registered adult members and chartered organizations with respect to claims arising out of an official Scouting activity (which generally is considered to be an activity consistent with the values, Charter and Bylaws, Rules and Regulations, operations manuals, and applicable literature of BSA). (ii) The insurance provided to an unregistered volunteer through the BSA General Liability Insurance is excess over any other insurance such unregistered volunteer might have to his or her benefit (usually a homeowners, personal liability, vehicle, or watercraft policy). (iii) The BSA General Liability Insurance does not provide indemnification or defense coverage to individuals who commit intentional and/or criminal acts. (iv) Prohibited activities (as described in the Guide to Safe Scouting and other applicable BSA Policies (as defined below)) are not considered official Scouting activities and engaging in prohibited activities can jeopardize and negate insurance coverage under the BSA General Liability Insurance. (v) The accident and sickness insurance coverage provided by BSA through Council (also known as accident and health insurance coverage) for registered youth and adult members (A) furnishes medical reimbursement in case of death, accident, or sickness within the policy amounts, (B) is excess of any and all other available sources of medical insurance or other health-care benefits, and (C) in the event there is no other primary insurance or health-care plan, may generally pay as primary coverage, subject to the coverage's limits and terms. For more information regarding the BSA General Liability Insurance and prohibited activities, Guardian and Youth are encouraged to review <https://www.scouting.org/health-and-safety/gss/gss10/> and <https://www.scouting.org/health-and-safety/safety-moments/unauthorized-restricted-activities/> and <https://www.scouting.org/health-and-safety/prohibited-activities-faqs/>.

**5. COMPLIANCE.** In connection with Youth's participation in any Scouting Activities and Events, Youth shall abide by all applicable laws, rules, regulations and executive orders ("Applicable Law") and the Charter, Bylaw, Rules and Regulations of BSA, and all applicable policies, rules, regulations, orders, operations manuals and other applicable literature, and requests of BSA and Council (including, without limitation, the Guide to Safe Scouting, all applicable BSA codes of conduct, the Scout Oath, the Scout Law, the Explorer Code, camp policies and youth protection policies) (collectively, "BSA Policies").

**6. GOVERNING LAW.** This Agreement shall be deemed to have been made and shall be governed by and construed and interpreted in accordance with the laws of the State of California without regard to such jurisdiction's principles of conflicts of law. Guardian, Youth, Council and the Released Persons submit to personal jurisdiction in the State of California for the enforcement of the provisions of this Agreement and waive any and all rights to object to such jurisdiction for purposes of enforcing this Agreement. Each and all of the Released Persons are hereby designated and identified as named third-party beneficiaries of this Agreement with the right to enforce this Agreement. **Guardian and Youth, jointly and severally, agrees that this Agreement is intended to be as broad and inclusive as is permitted under the laws of the State of California and other Applicable Law.**

**7. SEVERABILITY.** If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

**8. FACSIMILE.** A manual signature on this Agreement, an image of which shall have been transmitted electronically, will constitute an original signature for all purposes. The delivery of copies of this Agreement, including an executed signature page, by electronic

transmission will constitute effective delivery of this Agreement for all purposes.

GUARDIAN IS SIGNING AS PARENT OR GUARDIAN of Youth, a minor child, with the consent of the other parent or guardian (if any). Guardian understands that Guardian may be giving up the rights of Youth and Successors to sue as well as giving up Guardian's own right to sue. Guardian is VOLUNTARILY signing below intending for Guardian, Youth and Successors TO BE LEGALLY BOUND. IN WITNESS WHEREOF, this Agreement has been executed as of the date first written above.
