Cedar Badge - Introduction to Leadership Skills for Troops teaches Scouts with leadership positions about their new roles and how to most effectively reach success in that role. This district-level event is intended to assist those units with limited training resources, or those interested in giving their leaders additional exposure to unit operations, how to plan campouts, campfires, Scout's Own services, how to lead songs, and make your boy-run program operate more smoothly. Introduction to Leadership Skills for Troops is a requirement for National Youth Leader Training and the Kodiak Challenge. Cedar Badge, a program designed by the Mt. Rubidoux District Training Team, is based on the Boy Scouts of America's Introduction to Leadership Skills for Troops and the Patrol Leader Handbook.
