WELCOME TO CAMP WILEY CUB RESIDENT CAMP

Dear Leader,

Thank you for choosing Camp Wiley; we look forward to seeing you at camp this summer. We take pride in the high quality of our camp programs. At camp a well-trained and enthusiastic staff is awaiting the arrival of your Cub Scouts and Webelos.

Your task as Unit Leader is to compress many years' worth of adventure into one session of camp. With unique and unparalleled programs; an experienced and handpicked staff, and an emphasis on customer service, Camp Wiley offers you the best Scouting environment you could ask for in a summer camp. Come to camp expecting, and demanding, a great time.

In order for everyone to be totally "Prepared" we are including in this information pamphlet the necessary paperwork for you, the leader, to ensure is completed prior to your unit's participation.

One designated leader must turn in **ALL** completed forms for the entire unit at check-in. Please collect the required forms from your pack in advance of your departure for camp and double check to be sure all forms are completely filled out and signed. This will allow for a smooth check-in when you arrive.

Pack rosters and special dietary requirements must be submitted **no less** than two weeks prior to your arrival at camp. This will allow us to be prepared for your arrival.

If you have questions regarding the Parent/Leader Guide, please contact Volunteer Services at (909) 793-2463, ext 130. We will be happy to assist you in any way we can.

You will be receiving a parent information guide, please forward this to all parents that will be attending the Wiley program this summer.

The Camping Program of the California Inland Empire Council is proud to be a part of your Pack's effort in serving youth; we look forward to meeting all of you this summer.

In the spirit of Scouting,

Kyle Gonerig

Boseker Scout Reservation, Host of Camp Wiley 2015

Dear Parent and Cub Scout Leader,

Cub Scouting offers many new and exciting challenges throughout the year. None compares to a stay in the woods for a boy. To sleep in a tent; to explore the woods and learn about nature; to swim and canoe with his buddies; to learn new skills, these are the Cub Scout Adventures. At Camp Wiley get the chance to share with your boys in this adventure.

Along with all the fun you will share with your boys they will be learning through doing many of the things you both joined Cub Scouting for. Your boy joined for fun. You had him join to instill some basic values that Scouting has incorporated for 105 years. At Camp Wiley these core values of Scouting are practiced daily in activities your boy will find to be fun and rewarding. At Camp Wiley you get the chance to join with your boys and add to the reinforcement of these values.

Thank you for giving of your time this summer to be with your boy in the learning experience we call Camp Wiley!

Remember Scouting in your will

The California Inland Empire Council offers a summer camp program for registered members of the Boy Scouts of America and does not discriminate against any youth or adult in regards to race, color, religion, age, sex, handicap, or national origin.

Camp Wiley at Boseker Scout Reservation is accredited by the National Camp accreditation program of the Boy Scouts of America. These

camps maintain a top rating for their facilities, programs, and Staff. Camp Wiley also operates under guidelines established by both the State of California, and Riverside County, respectively.

YOUTH PROTECTION

Every unit is responsible to ensure that each adult leader receives Youth Protection Training before arrival.

You can contact your Council or District Training Chair for available training dates or complete the training online here:

www.scouting.org/Training/YouthProtection.aspx

In accordance with National Youth Protection Policy we have instituted the following Council policies:

- Adults must respect the privacy of youth members.
- Youth and leaders may not share sleeping facilities at any time (unless it is your own child).
- Leaders will only use the adult side of the Pool House, and will not accompany any youth into the Pool House.
- If private issues between a youth and an adult must be dealt with, two adults must be present during the conference, health check, or other event. Please see the Camp Administration if you or your unit needs assistance or advice in this area.

Our Camp Wiley Philosophy.....

We at Camp Wiley believe that organized camping is a creative, educational experience in cooperative outdoor living with lots of fun. It contributes significantly to the physical, mental, spiritual, and social growth of Cub and Webelos Scouts.

We, the staff of Camp Wiley are looking forward to providing the camper with a great experience.

Remember – At Camp Wiley

-The Focus is on *FUN*-

Camp Wiley Rules and Information

Welcome to Camp Wiley! We are pleased that you will be spending some time with us. Please read the following information in it's entirety in order to be prepared for your time at camp. This will ensure that everyone has a good understanding of the safety rules, procedures and expectations at camp. We're confident those attending will respect the rules in place.

WILDLIFE

Keep in mind that we are guests here. There are wild animals (mountain lions, squirrels, and raccoons) that are not to be touched, fed or teased! **Do not feed any animals, pets or wild!** **Keep all food, sweets, perfumes and toothpaste in containers in your car at night.** "Nothing should go in your tent that goes in your mouth because something with more legs than you have will come in after it!"

CAMP ETIQUETTE

Be courteous to others. No running in camp, yelling, picking up or throwing objects at one another or at anything. **Use flashlight etiquette;** don't shine your flashlight in people's faces. Keep the light on the ground.

Quiet hours begin at 10:00 p.m. until 6:30 a.m. Remember that sounds carry; please be courteous to those around you by adhering to these quiet times.

PERSONAL VEHICLE POLICY

No personal vehicles are permitted in camp. All vehicles are to remain in the parking lot at all times. We can't be responsible for loss or damage to your vehicle or its contents. Please back in when parking for ease of departure in case of an emergency. Those needing to use a vehicle for medical reasons should notify the camp office at check in. Remember to keep your keys in your pocket. We will cover emergency procedures in a leader's meeting, which is to be shared with your boys. "Be Prepared." ALWAYS USE THE BUDDY SYSTEM!

WRISTBANDS

All Scouts and leaders will be issued a wristband upon check-in. Visitors will be issued a temporary wristband upon checking in which should be returned when checking out. Individuals in camp without a wristband will be directed to the camp office. Broken wristbands will be replaced as soon as possible at the camp office. Take the broken band with you.

TENTAGE

Our furnished campsites (Coil, Harris, Mellor, Swartzel, and Goldware) include one tent on a platform and two beds with mattresses for every two campers. Wilderness campsites provide one tent with a platform and two beds with mattresses. Units must provide their own tents and beds for all remaining campers in Wilderness sites.

ROSTER

A resident camp roster is to be turned in to the Council Office one week prior to the unit's arrival at camp with any updates presented when the unit gets to camp. List all Cub/Webelos and adults in dens – by groups of 8 if possible. We will add boys by their rank to make full program dens. Be sure to list Scouts by the rank they will be during summer camp. For example: your Tigers will be Wolves this summer, your Wolves, Bears, etc. **Please use the Roster attached to this Guide.**

VISITORS

Visitors are always welcomed in camp. Please check in at the office when arriving to get a wristband. All visitors must check out before leaving camp. We ask that you do not take your son home early or out to dinner during the week. No parent or leader will take a Scout home without notifying the Camp Director and without the boy's Camp Release form. (See attached).

OFF LIMITS!

All program areas, especially the lakefront, are off limits except during normal program hours. Program areas and equipment are available only when a qualified Camp Staff leader is present and will be available at your scheduled program time only. Any areas under construction are off limits. Walking will not be permitted in any area where young trees have been planted. Please understand, for the safety of all, anyone found in a restricted area may be asked to leave without refund.

CAMP STAFF LIVING AREAS

All of our camp staffers live in cabins throughout camp. We are your hosts for your week at camp, and encourage you to enjoy all that the camp has to offer. Out of respect for the staff members who call the camp "Home" for many weeks during the summer, staff quarters are off limits to all campers and leaders at all times. We appreciate your help in enforcing this policy.

CAMP CLEANLINESS

Units are responsible for the care of the camp and campsites, including the general shower and latrine areas. If sharing campsites, each troop has an equal responsibility in maintaining campsite cleanliness. Scout leaders must be proactive and coordinate cleaning and

campsite maintenance. Good Scouting is a clean camp with clean people and clean speech. Leaders must pay close and frequent attention to the general cleanliness of their Scouts. Observe and counsel them about personal hygiene, their speech, and their campsite order.

DEN DUTY

Each den, under their own leader's supervision, will have duties and responsibilities to fulfill to help with the general operation of the camp. Every den will be assigned a day to clean the camp showers, latrines and dining hall. It is everyone's responsibility to ensure that camp trails, common areas, and wilderness areas remain absolutely litter-free. Also, dens can sign up to lead the daily flag ceremonies and grace at general assemblies. The den duty schedule will be posted on the camp bulletin board and reviewed at the adult/leader meeting.

UNIFORMS IN CAMP

Scouts should wear their uniform to and from camp with pride! Scouts and Scouters who have their BSA field uniform shall wear it to evening flag ceremonies, evening meals, as well as Scout's Own service and campfires. Those who do not own a complete uniform should wear their unit's activity uniform. Sandals, "flip-flops" and all open toed shoes are not acceptable footwear in camp and that includes visitors.

BIRTHDAYS IN CAMP

Please let Kyle Gonerer your Program Director know of any boys who have birthdays while in camp. We will do our best to provide recognition.

ADULT/LEADER MEETING

There will be an adult meeting scheduled on the first evening of camp in the dining hall. Scouts will be placed into dens by program level prior to your arrival at camp. Adults from each den will meet to choose the scouts activities at each program area. Please bring your Cub Scout Handbook to the meeting.

TRADING POST

Boy Scouts first began camping in the Camp Emerson area of Idyllwild in 1919, making the camp one of the oldest camps in the West!

In keeping with that tradition of Scouting, the Boseker Scout Reservation/ Camp Wiley is proud to provide a Trading Post Facility to serve visitors and staff with smiling faces and knowledgeable personnel. The Trading Post staff is in the business of providing gear, preserving memories, and building dreams.

We take care in selecting items to support the summer camp program and endeavor to ensure those items are always available.

Knowing that once here, it is not convenient to leave camp for that forgotten item, we stock assorted sundries that experience has shown campers tend to forget or not bring in sufficient quantity to last the week. Stocked are items such as bath soap, shampoo, and toothpaste, to name just a few. We have everything needed to ensure that a Scout is "clean".

The camp experience is not complete without those things that are unique to Boseker-Camp Wiley. "T" shirts, patches, and hats to wear through-out the year, long after Camp has ended, will help preserve those happy days at Camp.

Proud Scouts, having earned the privilege to carry a pocket knife while at Camp are anxious to acquire their first knife. The Trading Post stocks a nice selection of safe, affordable knives which can be purchased under established guidelines.

Scouts, both young and old, love toys and those funny little things that strike our fancy. Trading Post veterans will tell you that they never know what they might find here, and often return customers will enthusiastically tell newcomers of some great item they discovered hidden amongst all the "regulation" stuff.

Recognizing that we all need that occasional reward after a hard day of Scouting, or that mid-day break, we offer a respectable selection of ice cold soft drinks, snack items, healthy snacks, candy bars, and of course, ICE CREAM!

I cannot possibly hope to list everything we pack into our little Trading Post, but I can tell you that enormous effort, care and love goes into what goes into YOUR Trading Post and we look forward to seeing your bright, shining faces, new, and veteran campers. For your convenience, we accept most major credit cards and cash is always welcome. This summer make sure you visit us often, even if it's just to come in and say hi! We look forward to your visit!

TELEPHONE

One of the questions from parents is where their son will be and how they can reach him. Please encourage parents to write and not to call unless it is an emergency. Scouts and leaders may make necessary calls from the Camp Headquarters. Please be prepared to place long distance calls by using a calling card. Incoming calls will be taken by the camp office and messages forwarded to the requested party. The camp telephone number is (951) 659-2690 and is equipped with an answering machine. Emergency messages after normal camp hours should be directed to the Camp Ranger – Nancy Matson at (951) 392-5309. The camp phone is answered from 8:30am – 4:30pm M-F.

MAILING ADDRESS

To send regular mail to a camper the mailing address is:

Scouts Name, Pack #
c/o Camp Wiley, Session #
PO Box 639
Idyllwild, CA 92549

Outgoing mail should be dropped off at the Main Lodge. Incoming mail will be delivered daily at the evening flag ceremony. Postcards are available at the trading Post.

***** Helpful Postal Tip*****

Often times mail arrives for cubs after their camp session has ended. It's a good idea to mail your letters, postcards or packages at least two weeks before your child leaves for camp or better yet, bring your mail to camp and "discreetly" turn it in to headquarters at time of check-in!!! You'll save money and your cub scout will be guaranteed to receive his mail during his summer camp session!

AGE GUIDELINES

Camp Wiley is a summer camp program for Tiger, Wolf, Bear Cubs and Webelos Scouts to participate in a resident overnight camping program operating under the BSA Guidelines and managed by the council.

RELIGIOUS OBSERVANCE

An inter-faith Scout's Own Service is scheduled every session on the first night in Camp. All units are invited to attend. Grace will be led before every meal in a manner befitting Scouting Custom. A SCOUT IS REVERENT.

SUPERVISION

We want everyone to have a great time at camp and we must reiterate that adults are responsible for the behavior of the boys in their unit. Of course the Camp Director may be needed in team with the unit leader at times to resolve some issues. The Camp Staff will

deliver a quality program; however the supervision of the campers is the responsibility of the unit leaders, not the camp staff. Properly trained, two-deep leadership is required and Unit Leaders should carry their Guide to Safe Scouting. Each unit in attendance must have a 1:1 ratio of adults to scouts for Tigers, and 4:1 for Wolves, Bears, and Webelos with a minimum 2 adults to maintain 2 deep leadership. Adults are a critical part of the program's supervision to insure safety. Adult leaders are expected to reflect high moral standards established by custom and traditional values during the supervision of their boys in all program areas to supplement our staff.

FIRE PREVENTION

The community of Idyllwild normally enforces a strict fire ban during the summer months and therefore restricts campfires in campsites. Because the possibility of forest fire is ever present, fire safety is everyone's responsibility. Encourage and practice fire safety within your campsite area at all times. A FIRE DRILL WILL BE CONDUCTED SHORTLY AFTER YOUR ARRIVAL IN CAMP! All vehicles must be backed in to parking spaces in the parking lot at all times. All drivers must keep their keys with them at all times in case of evacuation. Smoking is prohibited on camp property. Official BSA policy states that no leader shall smoke, or use tobacco products in view of Scouts at any time. The designated smoking area is across the driveway from the bear at the service gate. There is no reason for Scouts to have lighters, matches, hot sparks, flint & steel or any other means of starting a fire. Liquid fuel stoves and lanterns are not allowed at CIEC. camps. Propane stoves and lanterns are permitted if the Fire Department determines it is a fire safe climate. Electric lanterns are a safe option.

National Council policy requires that each unit post a completed Unit Fireguard Chart in their campsite. These forms will be provided on the day you arrive in camp.

Each campsite is provided with a set or sets of fire tools. We ask that you do not remove these tools from your campsite. Proper means of extinguishing fires should be on hand at all times.

Each campsite is furnished with two fire buckets outside each tent and a shovel or rake.

Wildfires in camp should be reported directly to the camp office so that an alarm may be sounded. The fire bell located by the main lodge is a Community fire bell alerting Idyllwild to a wildfire in Camp. Falsely ringing the bell will incur large fines on the offender, and not Boser Scout Reservation.

Fireworks of any kind are illegal and strictly prohibited in camp. Possession of fireworks will be grounds for immediate dismissal from camp property and could result in criminal prosecution.

PROHIBITED/ RESTRICTED ITEMS

DO NOT BRING TO CAMP:

<ul style="list-style-type: none"> • Alcoholic beverages • Fixed blade sheath knives • Fireworks • Hot sparks/flint & steel • Air horns 	<ul style="list-style-type: none"> • Illegal drugs • Ammunition • Personal firearms • Cap guns • Pets
---	---

Possession of these or any other illegal, un-Scout like, or unsafe items as determined by the Camp Management is grounds for immediate dismissal from camp.

Alcohol and Drugs

Controlled substances are prohibited from Boy Scout activities and properties during summer camp. Personal medications are to be kept locked at the Health Office.

The Boy Scouts of America and the CIEC prohibit the use of alcoholic beverages and controlled substances at encampments or activities on property owned and/or operated by the Boy Scouts of America, or at any activity involving participation of youth members.

Smoking

To promote Scouting's aim of physical fitness among its participants as well as to ensure the protection and safe use of Council properties, the California Inland Empire Council prohibits the use of cigarettes, cigars, e-cigarettes, and other tobacco products on Camp property except in designated smoking areas. All leaders are required to set the proper example by refraining from smoking in the presence of Scouts.

BUDDY SYSTEM

The long history of the "buddy system" in Scouting has shown that it is always best to have at least one person with you at all times. The buddy system is a very important function at summer camp and was established for the protection of the youth. Each youth will be paired with another in the same ability group. All activity afloat will adhere to the principles of the buddy system. Please refer to the Guide to Safe Scouting for further details.

ATTIRE

All footwear needs to be closed-toed for health and safety reasons. This applies to adults as well as Scouts. Formal BSA uniforms are required for the evening flag retreat. At the morning flag ceremony and during the day, an appropriate Scout T-shirt is great. This could be from any past Scouting event. We are an official Scout youth camp so it is appropriate for all of us to be dressed accordingly. Camouflage clothing is not acceptable.

T-SHIRTS

T-shirts are not included in the camp registration fee. T-shirts are available for purchase online prior to camp and will be shipped directly to the unit leader or designee. Please be sure to check out the Council's website for further information. There will be a limited supply available at the Camp Trading Post.

LOST AND FOUND

The camp's Lost and Found is located in the Camp Office. If you should find any equipment that is missing it's owner please stop by the main lodge and leave it for the lost owner to reclaim. Found items are held until the end of summer camp.

DIETARY RESTRICTIONS

Any person with special dietary needs such as no dairy, vegetarian, allergies etc., should notify Volunteer Services at least two weeks prior to date of camp. A "Special Requirement" form should be completed and provided to Volunteer Services. Special requirements can also be emailed to sonja.villarreal@scouting.org or call Sonja at (909) 793-2463 ext 130 for further assistance.

CLOSING CAMPFIRE

Parents are encouraged to attend the closing campfire at dusk on the last evening of their Scout's camp session. If you plan to attend dinner, please make your pre-paid, non-refundable reservation at the time of check-in on the first day of your camp session. Dinner Tickets are \$8.00. Other visitor meals are available; Breakfast - \$6.00; Lunch- \$6.00. Special vegetarian diets are not a problem; let us know when you purchase your meal tickets so that we may accommodate your needs.

TOUR PLAN

Each pack attending summer camp, should submit a Tour Plan for approval at least 21 days prior from their summer camp session (one Tour Plan per Session). The Tour Plan Form can be found on the council's website at www.bsa-ciec.org under "Resources" and "Printable Documents" as well as processed online through www.MyScouting.org. Tour Permits will not be approved without current required Youth Protection Training and Planned & Preparedness of Weather Hazards Training. Please be advised, these trainings are only valid for two years from the date of completion. Both required trainings are available online through www.MyScouting.org and take approximately 30-40 minutes each to complete.

MEDICAL/EMERGENCY INFORMATION

The immunization requirement **WILL NOT** be waived for persons with religious beliefs against immunization; this is for the safety of the entire Camp. All Scouts and adult leaders must present a completed and up to date BSA *Annual Health and Medical Record* (parts A, B)

upon check in at camp. No one may stay overnight in camp under any circumstances without the proper medical forms. All campers under age 18 must also have a completed "Parent/Guardian Consent Form for Participation in a Council Operated Camp or Activity". In all cases, forms must be complete, current, and signed by parent or legal guardian, if appropriate. PLEASE NOTE: Physical exams must be completed by a certified and licensed physician (MD, DO), nurse practitioner, or physician's assistant **ONLY. Forms can be obtained at:** <http://www.scouting.org/filestore/HealthSafety/pdf/whole.pdf> Campers must use the form dated 2014.

Illness and First Aid

It is the responsibility of the troop's adult leadership to quickly report any and all illnesses or injuries to the Camp Health Officer. Minor first aid treatment can be conducted in your campsite. First Aid treatment is given at the camp health office located in the main lodge, and is available 24 hours a day. Arrangements have been made with nearby hospitals for any emergency treatment that may be needed during the week. Parents are notified as soon as possible if medical treatment is necessary. All medications, Prescription, and OTC **MUST** be kept in the health office by the medical officer. Prescription medication **must** be listed on the health form that is signed by the doctor, and kept in the original container/packaging with all labels and dispensing directions attached. It is the responsibility of the unit's adult leadership to take their sick or injured Scout to the hospital.

REFUND POLICY

Because most of the fees that are paid for camps and events are spent or committed prior to the actual camp or event, refunds for Council and district camps and activities will be made only under the following conditions:

Request for cancellation of a reservation must meet one of the following time frames:

- A: For the use of the Council camps, summer camp or any overnight camping event, a written request must be received by the Council Volunteer Services Department 30 calendar days before the event.
- B: For all non-overnight events, a written request must be received by Council Volunteer Services Department 14 calendar days before the event.

A request for a refund must be in writing and submitted by the person who made the original reservation. Refunds will be paid by Council check and will require the approval of a member of the Council Management Staff. The Volunteer Services Department will request this approval. Cancellation requests received by the required deadline may result in a full refund minus a non-refundable, non-transferable fee for expenses incurred and administration. Exceptions to the deadlines above will be made in the case of an emergency, injury, or illness. Requests must be in writing and verified by a parent and/or guardian and a physician. The maximum available refund under this provision will be 50% of the total fee paid by the individual. The implementation date of this policy was September 1, 2003. This policy supersedes any and all previously adopted or implied Refund Policies.

MEDICAL TREATMENT RELEASE

(Yes) (No) In case of emergency involving my child, I understand every effort will be made to contact me. In the event I cannot be reached, I hereby give my permission to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medications for my child. Medical providers are authorized to disclose to the adult in charge examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

SHOOTING SPORTS RELEASE

(Yes) (No) The undersigned consent that the Council may furnish firearms and/or archery equipment to the above named minor for the purpose of instruction and safe handling. Cub Scouts/Webelos Scouts are limited to the use of BB guns and/or archery equipment only, and only at camps or activities operated by the Council with qualified, trained supervision (no Cub Scout Pack may conduct shooting sports activities on its own). See policies on Shooting Sports in the **Guide to Safe Scouting**.

TALENT RELEASE

(Yes) (No) I hereby assign and grant to the California Inland Empire Council the right and permission to use and publish the photographs/film/video tapes/electronic representations and/or sound recordings made by the California Inland Empire Council and I hereby release the California Inland Empire Council from any and all liability from such use and publication.

(Yes) (No) I hereby authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage and/or distribution of said photographs/film/video tapes/electronic representations and/or sound recordings without limitation at the discretion of the California Inland Empire Council and I specifically waive any right to any compensation I may for any of the foregoing.
